# County of San Luis Obispo

TO: Board of Supervisors

FROM: Sheriff - Coroner / Ian Parkinson/781-4540

DATE: 3/22/2016

SUBJECT: Submittal of a resolution to permit the destruction or disposal of certain Sheriff's Office records, documents and papers. All Districts.

## **RECOMMENDATION**

It is recommended that your Board approve a resolution to permit the destruction or disposal of certain Sheriff's Office records, documents and papers by 4/5 vote.

## **DISCUSSION**

The records destruction policy was first established in 1991. The policy is based upon California Government Code section 26202 which permits the Board of Supervisors to authorize the destruction or disposition of any record, paper, or document which is more than two years old, and which was prepared or received in any manner other than pursuant to a State statute or County charter. The records to be purged are obsolete, and there is no persuasive rationale for the retention of records beyond that period required by law. There is no pending litigation attached to the records to be purged.

## **OTHER AGENCY INVOLVEMENT/IMPACT**

County Counsel has reviewed and approved the record destruction policy as to form and legal effect.

## **FINANCIAL CONSIDERATIONS**

Costs to destroy the records are minimal and have been included in the Sheriff's budget.

## **RESULTS**

Approval of this request will allow the Sheriff-Coroner to dispose of certain Sheriff's Office records, documents, instruments, books or papers that are no longer required.
